

Budget Hearing – November 9, 2009 at 7:00 p.m. at the Town Hall.

The chairman opened the Budget Hearing and asked for any questions on the Budget. Questions were asked about the Fire Dept., Recycling, Parks, and some changes will have to made.

John Zak feels there is not enough money being put away for expenses in the future for new fire trucks, the 1975 pumper failed its test and needs to be replaced. If emergency the town will look into low interest rates from the County.

The Grass cutting will have to be changed because any hours for this goes into the Maintenance Account, the clerk will have to get this changed so each is on its own.
